1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will and will not be made
- Offer a range of activities and visits whilst minimising the financial barriers that may prevent some pupils from taking full advantage of these opportunities.

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and the [Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

This policy complies with our funding agreement and articles of association.

3. Definitions

Charge: a fee payable for specifically defined activities

Remission: the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The Trust Board

The Trust Board has the overall responsibility for approving and implementing the Charging and Remissions Policy, but as out-lined in the Operational Procedures Manual this is delegate to the Local Governing Body so that decisions can be made in-line with the School development Plan.

4.2 The Executive Head

The Executive Head is responsible for ensuring staff are familiar with the Charging and Remissions Policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

Implementing the charging and remissions policy consistently

Notifying the Executive Head of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the Executive Head of any concerns or queries regarding the charging and remissions policy.

6. Where charges can be made

Below we set out what we **can** charge for:

6.1 Education

Where a pupil or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. Textbooks are provided free of charge, but in some subjects, additional revision guides are available, for which a charge is made.

Optional extras (see section 6.2)

Music and vocal tuition, in limited circumstances (see section 6.3)

Certain early years provision

Community facilities

Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school **and** the pupil fails, without good reason, to meet any examination requirement for a syllabus

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

Education provided outside of school time that is not part of:

The National Curriculum

A syllabus for a prescribed public examination that the pupil is being prepared for at the school

Religious education

Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school

Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)

Board and lodging for a pupil on a residential visit

Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

Any materials, books, instruments or equipment provided in connection with the optional extra

The cost of buildings and accommodation

Non-teaching staff

Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)

The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

The school levies charges in respect of individual music tuition, and group music tuition up to and including 4 persons, if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil. 50% discount is available to pupils whose families are entitled to free school meals.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

If the teaching is an essential part of the National Curriculum

If the teaching is provided under the first access to the Key Stage 2 instrumental and vocal tuition programme

For a pupil who is looked after by a local authority

6.4 Residential visits

Residential trips – Essential.: For residential trips which are essential to the National Curriculum, statutory RE or in preparation for prescribed examinations, a charge will be levied for board and lodging.

Residential trips – Non-essential: For residential trips which are not essential to the National Curriculum, statutory RE or in preparation for prescribed examinations:

- a. if the amount of school time on the trip is less than half of the total time of the trip, a charge will be levied up to the full cost of the trip.
- b. if the amount of school time on the trip is half or more of the total time of the trip, a charge will be levied for board and lodging.

7. Voluntary contributions

Where the school cannot levy charges, and it is not possible to make these additional activities within the resources ordinarily available to the school, the school may request or invite parents to make a contribution towards the cost of the trip. Pupils will not be treated differently according to whether or not their parents have made any contribution in response to the request or invitation. However, where there are not enough voluntary contributions to make the activity possible, then it will be cancelled.

No charge will be levied in respect of day trips that take place during school hours or are part of the curriculum.

8. Activities we charge for

The school will charge for the following activities:

All activities outside school hours, that are not part of the National Curriculum or religious education, a charge up to the cost of the activity will be levied.
